

WE ARE GOING ONLINE

Almost gone are the days of paper, SANAS is taking the hassle out of the application process by introducing you to our new online application form at your fingertips.

We are about to launch the first phase of our new online registration and application process. You will soon be able to send enquiries; apply for accreditation, extensions of scopes and upload supporting documentation and importantly view the status of your application online from any internet-enabled device.

Advantages:

- Quick and easy registration;
- Apply at your own convenience;
- Access 24 / 7;
- Secure online submission;
- Accessible on any of your devices (smartphone, tablet, laptop);
- Improved enquiry or application turnaround time;
- Upload and submit supporting documentation (no more postage/delivery costs);
- Environmentally friendly (no more paper).

A step by step registration and application process will be contained in the next article and a tutorial on our website will be made available on our website closer to the launch.

See you online real soon!!
