

IT'S OFFICIAL – ENERGY EFFICIENCY TAX REBATE INCREASED TO 95C/KWH!

ISSUED BY: SANEDI COMMUNICATIONS ON 18 JANUARY 2016

(Amendment of section 12L of Act 58 of 1962, as substituted by section 29 of Act 22 of 2012 and amended by section 38 of Act 31 of 2013)

Please note that in terms of the recently promulgated Taxation Laws Amendment Act, Act No. 25 of 2015, published in Government Gazette No. 39588, the **Section 12L energy efficiency tax incentive** has been amended and improved to increase the amount of the (measured and verified) deduction from **45c to 95 cents** per kilowatt hour or kilowatt hour equivalent of energy saved. Furthermore, the increased rate is deemed to have come into operation

on **1 March 2015** and applies in respect of years of assessment commencing on or after that date.

PREPARED BY: ANNETTE DEVER - ILAC SECRETARY

The following brochures have been revised by the ILAC Marketing and Communications Committee (MCC) and the latest versions are available from the Publications/Promotional Brochures section of the ILAC Website for your use.

Why Use an Accredited Laboratory?

How Does Using an Accredited Laboratory Benefit Government & Regulators?

The Advantages of Being Accredited

The ILAC Mutual Recognition Arrangement

As part of this review process, brochure ILAC B2:05/2011, “*Why Become an Accredited Laboratory?*” has been withdrawn.

ILAC presentations available

In addition to the regular liaison activity undertaken during this period, ILAC representatives recently participated in two international meetings - the WSC CA Workshop and the UNECE WP.6 Meeting. Information on these meetings including details of ILAC’s involvement is available from <http://ilac.org/news/unece-wsc-events-2015/> and the ILAC presentations provided to these meetings are available from the Liaisons section in the members area of the ILAC website: <http://ilac.org/members-area/liaisons/other-organisations/>

As usual, the reports for all the ILAC liaison work are loaded into this area of the website for the information of the members. This includes the comments submitted on behalf of ILAC members in relation to the revision and development of standards that are key to ILAC’s activities.
