| Discipline / Sample Type | Type of Tests                    | Equipment / Method |
|--------------------------|----------------------------------|--------------------|
| <b>Chemistry</b>         |                                  |                    |
| Serum                    | Alanine Aminotransferase (ALT)   | Cobas C311         |
| Serum                    | Albumin                          | Cobas C311         |
| Serum                    | Alkaline Phosphatase (ALP)       | Cobas C311         |
| Serum                    | Aspartate Aminotransferase (AST) | Cobas C311         |
| Serum                    | Bilirubin, Direct                | Cobas C311         |
| Serum                    | Bilirubin, Total                 | Cobas C311         |
| Serum                    | Chloride                         | Cobas C311         |
| Serum                    | Cholesterol (HDL)                | Cobas C311         |
| Serum                    | Cholesterol (Total)              | Cobas C311         |
| Serum                    | Creatine Kinase (CK)             | Cobas C311         |
| Serum                    | Creatinine                       | Cobas C311         |
| Serum                    | Gamma Glutamyl Transferase (GGT) | Cobas C311         |
| Serum                    | Lactate Dehydrogenase (LDH)      | Cobas C311         |
| Serum                    | Lipase                           | Cobas C311         |
| Plasma                   | Glucose                          | Cobas C311         |
| Serum                    | Potassium                        | Cobas C311         |
| Serum                    | Protein (Total)                  | Cobas C311         |
| Serum                    | Sodium                           | Cobas C311         |
| Serum                    | Triglycerides                    | Cobas C311         |
| Serum                    | Urate                            | Cobas C311         |

|                      |   |               |
|----------------------|---|---------------|
| Serum                | Urea                                    | Cobas C311    |
| <b>Endocrinology</b> |   |               |
| Serum                | Alpha Feto-protein (AFP)                | Cobas e411    |
| Serum                | Carcinoembryonic Antigen (CEA)          | Cobas e411    |
| Serum                | Cortisol                                | Cobas e411    |
| Serum                | Estradiol (E2)                          | Cobas e411    |
| Serum                | Follicle Stimulating Hormone (FSH)      | Cobas e411    |
| Serum                | Free Thyroxine (F-T4)                   | Cobas e411    |
| Serum                | Free Triiodothyronine (F-T3)            | Cobas e411    |
| Serum                | Human Chorionic Gonadotropin (hCG)      | Cobas e411    |
| Serum                | Luteinising Hormone (LH)                | Cobas e411    |
| Serum                | Progesterone                            | Cobas e411    |
| Serum                | Prolactin                               | Cobas e411    |
| Serum                | Prostate Specific Antigen (PSA) Total   | Cobas e411    |
| Serum                | Testosterone                            | Cobas e411    |
| Serum                | Thyroid Stimulating Hormone (TSH)       | Cobas e411    |
| <b>Haematology</b>   |   |               |
| Whole Blood          | Full Blood Count and Differential Count | Symex XN450   |
| Whole Blood          | Peripheral Smear                        | Manual Method |
| Whole Blood          | Malaria Smears                          | Manual Method |
| <b>Serology</b>      |   |               |
| Serum                | HIV                                     | Manual Method |
| Serum                | Treponema Antibody (TPAb)               | Manual Method |

Original Date of Accreditation: 01 December 2005
